Hello All:

You got the latest version of the Action Memo last Friday. I wanted to make sure that you had an opportunity to make your Regional specific revisions (fact check). If you have knowledge of items that may be incorrect, please let me know. Hopefully, I can get any final comments by noon your time today. Please let me know if you are good to go.

Make sure you look at the cost information.

Thanks

Subject: GKM Final Draft Action Memo (Please Review Your Regional Portions for Accuracy Especially the Emergency "Verbal Approved" Ceiling and Proposed Ceiling

Hello All:

Before this goes to HQ for final review, I wanted it to be reviewed from the Regions. I need your comments back by Monday, September 21 so that we can finalize this and have Region 8 forward on to HQ for a review prior to getting signatures. I am hoping there will not be significant issues since most have seen this as it has gone through development.

For Region 9, I am not sure exactly what the has been from the State of Arizona. Please make sure this is covered appropriately.

Thanks
